

Larry Meiller and Norm Gilliland Retirement Interview  
2026-05-05  
Buch Studio

29.97DF  
24bit 48kHz

Multichannel WAV

Channels

1. Production Mix L
2. Production MIX R
3. Larry LAV (DPA 4060)
4. Norm LAV (DPA 4060)
5. Larry Boom (Senn 416)
6. Norm Boom (Senn 416)

All Cams and Audio should be synced with Tentacle Sync timecode generators.

Audio recorded on a Sound Devices 833

- I had to make a few changes on Larry's input gain as he got a little loud at times.

Let me know if you have any questions or issues with the audio.
