AGREEMENT

This Agreement is now made as of January 21, 1997 by and between CUCA/AMC Records, c/o Jim Kirchstein, 3830 Highway 78, Mt. Horeb, WI 53572 ("Licensor") and COLLECTIBLES, INC. a Pennsylvania corporation d/b/a COLLECTABLES, P.O. Box 35, Narberth, PA 19072 ("Collectables").

IN CONSIDERATION of the representations, warranties and mutual promises of Licensor and Collectables, as hereinafter set forth, the parties hereto agree as follows:

1. Licensor hereby grants Collectables the right to enter into non-exclusive master use licenses, in perpetuity, with third parties for any of the masters listed in Schedule "A", for a term of up to five (5) years per license for recordings, and for licenses in perpetuity for film, television and video.

2. These third party licensing agreements may be for the worldwide exploitation of the masters in all media, whether now known or hereinafter invented, including, without limitation, records in all formats and configurations, radio, television, motion pictures and video in all formats and configurations.

3. In consideration of the rights herein granted, Collectables shall forward to Licensor fifty percent (50%) of any and all net sums actually received (less any costs for collection) for the licensing of the masters to third parties. Collectables shall not be required to make any payments of any nature for, or in connection with the acquisition, exercise or exploitation of rights by Collectables under this agreement, except as specifically provided herein.

4. Licensor agrees that it shall be responsible for obtaining the consents of artists, musicians and producers performing on the masters specified in Schedule "A", and also for paying any royalties that may become due to same as a result of sublicensing by Collectables of the masters.

5. Collectables will only sublicense the masters to third parties provided that the third parties themselves will be responsible for securing all necessary mechanical/copyright licenses, including any synchronization licenses (if applicable), from the publishers/copyright owners of the copyrighted compositions contained in the masters. The third parties will also be responsible for all mechanical copyright payments, as well as any payment due any unions, and shall indemnify and hold Licensor and Collectables harmless against any liability for such payments.

6. Collectables represents, warrants and agrees that:

P. O. Box 35 • Narberth, PA 19072 • (610) 649-7650 • Fax (610) 649-0315

(a) Consistent with good business practices, it will manufacture, advertise, promote distribute, sell and authorize the manufacture, distribution and sale of records made from the licensed masters on the Collectables label, or on such other label as it may designate;

(b) It has the right to enter into this agreement and is under no disability to fully perform it, and that it will do no act in the advertising and sale of records made that will infringe upon the right of any party or the persons who created and performed the compositions embodied on the licensed masters.

7. Licensor represents, warrants and agrees that

(a) It has the right to enter into this agreement, to license the masters herein, and is under no disability, restriction or prohibition in respect to its right to execute this agreement and to perform the terms hereof, and the full and free exercise of the rights licensed hereunder will not conflict with or infringe upon any right whatsoever of any party whatsoever;

(b) It is the owner of or controls all rights granted herein to Collectables with respect to the licensed masters, and will knowingly commit no act in derogation or diminution of the rights herein granted to Collectables;

(c) All persons whose performances are embodied on the masters and all other persons whose rights may be involved have been or will be completely paid by Licensor or will have given a written waiver of such payment in connection with records sold which are made from the licensed masters. All royalty payments to any such persons with respect to the rights granted hereunder shall be made by Licensor;

(d) It has the right to use and to allow Collectables and any third-party sublicensees to use the names, likenesses and biographical material of all persons whose performances are embodied on the licensed masters, and to allow Collectables to use the label logo for advertising and purposes of trade in connection with the sale and production of records hereunder.

8. Each of the parties hereto undertakes and agrees to indemnify, save, and hold the other, and anyone claiming through the other, free and harmless from any and all liability, loss, damage, cost or expense, connected with or related to any claim by any party which is inconsistent with any of their respective agreements, warranties, or representations hereunder. Each party shall have the right to defend any claim with its own attorney and no settlement of any claim shall be made without prior written consent of the indemnifying party, which shall not be unreasonably withheld. If the indemnifying party shall not consent to the settlement of any claim, then the indemnifying party shall post a bond sufficient in amount to indemnify the indemnified party from the claim.

9. The representations, warranties and indemnities made by Licensor and Collectables herein shall remain in full force and effect for any sublicensing agreements entered into by Collectables with third parties, and shall extend to any third party's breach of its warranties or representations made under the sublicensing agreements, or any other failure of any third party to perform its obligations thereunder.

Dear Jim,

As discussed, Collectables is a re-issue label of all types of music. Lately we've been having a lot of success with rock and psychedelic garage bands from the 60's. The labels you mentioned like "Cuca" I'm sure contain many titles which we would be very interested in. Perhaps we could come up with as much as a dozen CD's worth! Please forward me a list of masters which you control. Also, I'm very interested in doing an album on "The Fendermen." Any assistance on who really has their masters would be appreciated.

Sincerely,

*Mike Stefanik
