Artist / Subtitle

This is the 2nd of two double album CDs by the Jerry Goetsch Orchestra recorded in the 60s by Jim Kirchstein of Cuca Records. The 4 albums that were unnoticed for many years are now being released for posterity. Over the years the band has made recordings on virtually all media types, 78 and 45 rpm singles, 33 1/3 rpm LP albums, cassettes, 8-Track tapes, CDs and videos. The Jerry Goetsch Orchestra originated in Wausau, WI beginning in 1950 and ending in 1992 after 42 years of providing music and enjoyment for countless thousands of people. Jerry Goetsch passed away in the summer of 2017. It is our hope that listening to this CD will bring back good memories if old enough, or just to enjoy. See story inside.
